In the reference cited, National Cyclone Risk Mitigation Project was introduced under the World Bank Financial Assistance in Revenue (DM) Department. The Revenue (DM) Department is presently accommodated in very less area consisting 6 Sections / 7 Officers which is congested to Officers / Staff members in attending the duties. In this situation, it became difficult to accommodate the staff of Secretariat and the staff of Project Implementation Unit under NCRMP, unless the space is re-organised and cubicals are arranged. Keeping in view the administrative grounds and in order to create better working conditions to the staff within the available space, it requires to built work stations ( Cubicles). In this connection, necessary quotations have been called for from the reputed firms and to be finalized.

In view of the above, a Purchase Committee with the following officers is hereby constituted to negotiate price and to finalise the name of the supplier, so as to enable this Department to give order of work to the supplying firm to execute the work.

- (i) Additional Commissioner for Disaster Management.  
& Ex-Officio Dy. Secretary to Government, Revenue (DM) Department.
- (ii) Additional Secretary to Government, Finance Department.
- (iii) Special Commissioner, SDMA, Rev. (DM) Department.
- (iv) Dy. Executive Engineer (R & B), G.A.D.

The Committee is requested to finalise the matter immediately so as to enable this department to issue work order to the firm, who shall have to execute the work by the end of this financial year.
